RATE SCHEDULE 25
Electric Heat—Direct Metered
Effective January 1, 2012

CLASS OF SERVICE

All electric heating rates.

AVAILABILITY

Available to Burke-Divide's residential and commercial members with electric heat installations which meet the eligibility requirements. This rate is applicable from October 1 through April 30.

TYPE OF SERVICE

Alternating Current, 60 Hz, single or three phase electric

ELIGIBILITY REQUIREMENTS

- The member's electric heating installation must be a permanent electric resistance and/or a heat pump space heating system.
- The electric space heat must be separately metered. Burke-Divide will furnish the metering equipment. The qualifying member will have the heat metering equipment installed and wired at his/her expense. Burke-Divide furnished metering equipment will be an external installation.
- Burke-Divide and its power supplier reserve the right to inspect all electric heat installations and associate metering installations.

RATE

Facility Charge:

- \$3.00 per direct wired meter per month applicable during the heat rate season

Energy Charge:

- \$.050 per kWh per month during the heat rate (October 1-April 30)
- Applicable kWh rates off heat season (May 1-September 30)

COST OF PURCHASED POWER ADJUSTMENT

If at any time after January 1, 2012, the wholesale cost of purchased power is increased or decreased, the seller may increase or decrease the selling cost .1 mills for every .1 mill, or major fraction thereof, the cost of purchased power is increased or decreased. The purchased power adjustment shall be shown as a separate item on the member's billing statement.

TERMS OF PAYMENT

Meters are read by the cooperative on the first of the month and current bill shall be paid by the first of the following month to avoid penalties. Commercial heat installations will be billed accordingly to the rate class associated with the specific account. This rate is in effect from October 1 through April 30. The rate may be extended for a longer period depending on Burke-Divide's power supplier's position.
