

SPRING SAVINGS WORD SEARCH

Are you ready to *spring* into energy savings? When we actively try to reduce our energy use at home, we save on bills and help our community. Read the efficiency tips below, then search for (and circle) the **bolded** words in the puzzle.

Spring Energy Tips:

Unplug chargers, gaming systems and other devices. Electronics can consume **energy** when they're plugged in, even if you're not using them.

Open curtains and blinds during the day to use **natural light** instead of lamps and other home lighting.

Dress for the weather. When it's chilly, grab a **jacket** instead of turning up the **thermostat**. When it's warm, instead of turning on the A/C, open **windows** or turn on fans to circulate air.

Turn off **lights** when you're leaving the room for more than five minutes.
